

Certificate of Registration

This is to certify that:

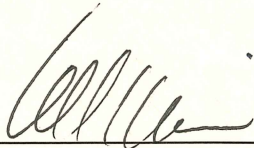

Beyond Engineering & Testing, LLC

*is registered as a Disadvantaged Business Enterprise with the
New Mexico Department of Transportation (NMDOT)
Disadvantaged Business Enterprise (DBE) Program
& New Mexico Unified Certification Program (NMUCP)*

And is therefore so recognized as certified beginning on August 24, 2018

In accordance with 49 CFR Part 26 as amended, for continued DBE Certification, the DBE owner(s) must submit to NMDOT an Annual Affidavit and the previous year's Federal business taxes OR "Schedule C" of the Federal personal taxes by the anniversary date of certification.
